

Make A Tiny Paint Set

wisdomartslaboratory.com

Paint Set, Paint Tube Labels

Interior Paint Set, Paint Divider

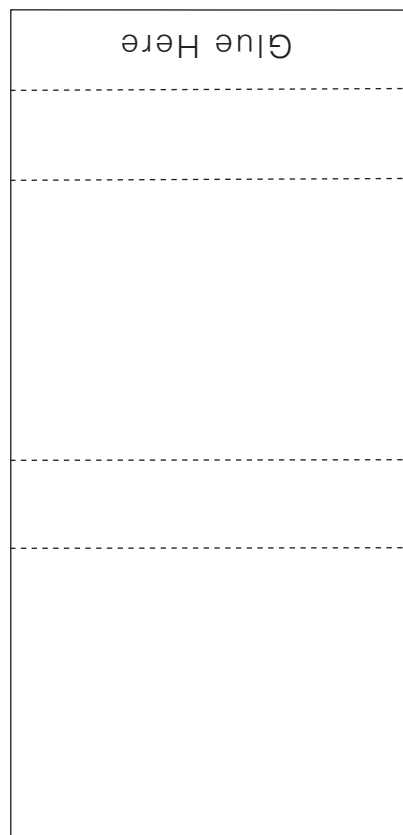

The zig zag diagram above gives you a side view of the fold to use when making the interior paint divider. You could glue them together, or not. Place divider into box, add paint tubes and brushes.

Cut rectangle divider out and fold on dotted lines.

Interior Paint Set Box Labels

Cut rectangle label out and fold on dotted lines.

Materials Needed

Pencil
Markers
Glue
Scissors
Needle Nose Pliers
Ruler

Paint Brushes

Sandpaper
Toothpicks
Metal Repair Tape

Tubes of Paint

Straw
Large Matchstick
Craft Beads
Metal Repair Tape

Carrying Case

Small Empty Matchbox

Cut matchbook label out and fold on dotted lines. Glue it onto your Tiny Paint Set matchbox, or cut out the blank paint set box label, and design it yourself.

The mission of Wisdom Arts Laboratory is to encourage and nurture imagination, critical thinking skills, and citizenship through art and science education. At Wisdom Arts Laboratory, we believe artists strengthen communities by inspiring resourcefulness and innovation.

Wisdom Arts Laboratory is a sponsored project of Fractured Atlas, a non-profit arts service organization. To donate to Wisdom Arts Laboratory go to FracturedAtlas.org / WisdomArtsLaboratory.com
